#### LABOR GUIDELINES

We have provided these definitions to acquaint you with specific guidelines for labor. Trade shows, conventions and special events in this vicinity are governed by local union contracts. Please review the following information in order to better understand the applicable union jurisdictions. If you have any questions once you have read this, please address them directly to VISTA Convention Services.

#### MATERIAL HANDLING

The Teamsters union claims jurisdiction over the operation of all material handling equipment, all unloading and reloading, and handling of empty containers. An exhibitor may only move material that can be hand-carried by one person in one trip. Hand-carried is defined as small cartons, packages, or portable laptop computers that usually weight less than 30 pounds. This union claims jurisdiction under all other circumstances. No one, other than the official contractor's employees, is allowed to use dollies, hand trucks, or other mechanical equipment. This includes, but is not limited to, I&D, hotel, and facility employees.

VISTA Convention Services has the responsibility of receiving and handling all exhibit material and empty crates. It is our responsibility to manage the docks and schedule vehicles for the smooth and efficient move-in and move-out of the exposition. VISTA will not be responsible, however, for any material they do not handle.

#### **BOOTH LABOR**

The Decorators Union claim jurisdiction over all set-up and dismantling of exhibits including signs and carpet installation. This does not apply to the unpacking and placement of your merchandise (items produced by you for sales, scheduled for display in your booth, or literature describing same). Any installation of exhibits or displays which requires the use of hand tools, more than one person, longer than 30 minutes to install (including crating or uncrating), or exceeds ten feet in any direction, shall be installed by employees covered by the agreement.

#### **SAFETY**

Standing on chairs, tables or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. VISTA cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in the assembly/dismantle of your booth, please order labor on the enclosed *Labor Order* form and the necessary ladders and tools will be provided.

#### **GRATUITIES**

VISTA Convention Services requests that exhibitors do not tip our employees. Do not give coffee breaks other than mid-morning and mid-afternoon when union employees have a fifteen minute paid break. Any attempts to solicit a gratuity by an employee for any service should be reported immediately to a VISTA supervisor. Employees of VISTA are paid at an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to all VISTA employees.

#### IN GENERAL

Craftsmen at all levels are instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor. All questions originated by labor are to be expressed directly to VISTA management personnel. It is recommended that any questions arising with regard to union jurisdiction or practices should be directed to a management representative of VISTA.
